

Mrs Vella's Takeaway Homework

Choose your homework from the menu below. Aim to complete at least 2 pieces of homework each week.

Homework will be set on Google Classroom and should be completed on there - or, if you'd rather complete it on paper, take a photo and upload to Google Classroom to submit. The Peri-ometer suggests the difficulty or challenge the homework may offer. Each week you should try include at least one task from the 'hot' or 'extra hot' spice level.

- Reading is a key part of your child's learning and it is essential you try to read at home as much as possible. There is now a new reading record in your child's reading pack that needs to be filled in every time you read. The new reading record does highlight when children aren't reading regularly at home and as a whole school this is being addressed weekly. **Reading is vital!**
- The new spellings for this half term will be in the homework books. They are a new set of spellings (use the set that your child is with for phonics) for your child to practice over the Autumn 2 term. Please start from week one and work across the 6 weeks. When the spellings have finished after 6 weeks we will be focusing on our nativity songs which I can send out nearer the time.

<p><u>Taylor Swift Song</u></p> <p>Can you learn The Great Fire of London song. The link to the song can be found on the class page with the words.</p>	<p><u>Interview your Grandparents/Parents</u></p> <p>What was your favourite toy as a child? What was your favourite movie as a child? What was your favourite band as a child? What programmes did you used to watch? Did you have a television in your house when you were a child? Which did you do more, play indoors or outdoors? What was your favourite game to play outdoors?</p>	<p><u>Weather Report</u></p> <p>Can you record the weather for 7 days? Think about the temperatures, weather symbols and the amount of daylight each day.</p>	<p><u>U.K Poem</u></p> <p>Practice the U.K Poem about all the countries and capital cities we learnt in class.</p>
<p><u>What games do you play?</u></p> <p>What is your favourite game? Can you tell me what it is called and write the step-by-step rules to the game?</p>	<p><u>What Materials do you have in your house?</u></p> <p>Look around your home and tell me how many different materials you can find. Write down what items you find and what it is made of.</p>	<p><u>Design a Robot</u></p> <p>Create/make or draw a robot that can do anything you wish. What would you get your robot to do? Can you label all the parts to it and explain what it would do?</p>	<p><u>Spring Walk</u></p> <p>As the weather gets nicer and we approach spring can you find anything spring related whilst out on a walk? Feel free to bring anything in or even email a picture to Mrs Vella.</p>
<p><u>Write a Book Review</u></p> <p>Write a book review from your favourite story... You can use the book review template that can be found on the school website.</p>	<p><u>Counting in 2's 10's and 5's</u></p> <p>We have been using some songs off Youtube to help us count up in different amounts (links are below and on the class page).</p>	<p><u>Missing number</u></p> <p>Can you write different numbers to 50? You could use a number line, 100 square.</p>	<p><u>Letter Formation</u></p> <p>Using the letter rhymes can you write each letter and sit them on the line?</p>
<p><u>Hit the Button</u></p> <p>How many questions can you get right in the time? Please can you play...</p> <ul style="list-style-type: none"> • Number bonds to 10 • Number bonds to 20 • Doubles • Halves 	<p><u>Phonics Frog</u></p> <p>Can you make it across the river. Sounding out all the phonics sounds whilst you jump along.</p>	<p><u>Numbots</u></p> <p>Can you get to the top of the class leader board. How many levels can you complete?</p>	<p><u>Odd and Bob</u></p> <p>Can you sort the real and alien words. Feed Bob the real words and Odd the alien words. Sound each word out to help you decide.</p>
