Summer term

Welcome back to our last summer term! Can you believe that your little ones only have weeks left until the end of their Preschool Year? It will be a busy, fun-filled time in Preschool with lots to look forward to in the coming weeks.

This week we have been thinking about the season of Summer. Answering questions such as, how do we know when it is Summer? What do we like to do in the Summer? What signs can we see in our natural environment that tell us it is Summer.

As Part of our learning over the summer term we will be talking about holidays and travel. It would be appreciated if you could send in a holiday picture for the children to share and discuss. We will talk about the different types of holidays you can have, as well as modes of transport used to get there. The children love sharing their own experiences with each other. Images can be sent to me via email h.bilsbrough@harris.lancs.sch.uk

The children have already started to practice for their performance at this year's Harris Fest. It is always a lovely experience for the children and gives them an opportunity to join a whole school celebration along with their parents. We hope you can all come along on Tuesday 15th July at 3:30pm.

Happy weekend! The Pre-School 😊
