

We have had a slightly less busy week, this week and we have been grateful for it! We had Matt the photographer and videographer in school on Tuesday, gathering content to make a new promotional video for school. The children were so welcoming and were little stars during the filming – well done, Reception!

We can Rhyme!

We have had time to begin writing our Hickory Dickory Dock rhymes, this week. We chose rhyming words to go with our number and then had a go at writing one verse. The children have amazed us with their rhyming skills and ability to choose a rhyming word that fits perfectly into the nursery rhyme!

First, Second, Third!

In Maths, we have been looking at ordinal numbers and positional language. We had a go at labelling orders from first to tenth and learned a song about ordinal numbers. We then moved onto looking at positional language – we challenged each other by hiding objects and then describing where they were – ‘The doll is in between the chair and table.’ ‘The apple is behind the pencil pot.’

Life cycles

We’ve been learning all about different life cycles with Mrs. Procter. The children did a fantastic job drawing the life cycles of frogs, flowers, and butterflies. We then explored the human life cycle, and the children were able to sequence and describe the stages of development—from babies to children, teenagers, adults, and finally older adults.

Baby Photos

The children have been using their baby photos to create self-portraits. We’ve been focusing closely on facial features—discussing which ones have changed over time and which have stayed the same. Look out for our baby gallery on the windows!

Happy Weekend! The Reception Team 😊

Things to Remember:

● **Transition morning – Thursday 3rd July.**

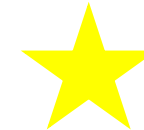

The children will go through the Year 1 classroom door at the start of the day and spend the morning in Year 1 with the Year 1 team. After lunch, they will come back into Reception for the afternoon. You will collect your child from the Reception classroom as usual.

● **Home readers changing days:**

Monday – Zebras

Tuesday – Parrots

Wednesday – Monkeys

Star Awards

Reyah and Elsie

Writer of the Week

Emad

Our week in photos – check out our class gallery:
