PRESCHOOL NEWSLETTER

Week ending 12th Sept 2025

Dear Families,

What a wonderful first full week we have had together in Preschool! The children have begun to settle into their new environment beautifully, and we are so pleased to see them growing more comfortable each day.

This week, our focus has been on getting to know each other and learning the classroom rules and routines that help our days run smoothly. The children have done a great job exploring the classroom, making new friends, and starting to feel at home in their new space.

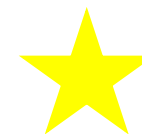

We also shared the story *Who Are You?* To spark some lovely conversations about ourselves and what makes each of us unique and special. We looked at our faces in the mirror and talked about our features, eye colour, and hair, before having a go at our self- portrait.

We are excited to continue supporting the children as they grow in confidence and settle into preschool life. Thank you for your support in helping your child with this important transition. We can't wait to see what next week brings!

Happy weekend! The Pre-School Team 😊

Things to Remember:

- To support the children in developing their independence, please send them in shoes that they can take off and put on by themselves.
- We also ask that each child has a pair of wellies to keep at school, so they can enjoy our outdoor provision in all weathers.
- Please remember to pre-order your child's school dinner.
- PE session with Mr Ridge every Friday morning. Please provide appropriate footwear.
