## READING VOLUNTEERS

We have had a great response from families, and some members of the wider community, to offer to come and listen to readers regularly in school.

By now, all volunteers should have received information regarding applying for their DBS clearance. Once we have had the DBS confirmation through, we can begin to assign volunteers to classes. Thank you so much to all who have offered to participate with this - the children will benefit greatly from it.

## GOOD TO BE ME WEEK

Thank you to all families who have volunteered to come and spend some time in their child class next week. This will be a really informal visit where the classes will have a chance to meet their classmate's family and get to know a bit more about them.

All volunteers should have been contacted by their class teacher to confirm the visit.

If you would like to help, and have not had confirmation, please contact either myself or the class teacher.
