

Friday 22nd October

Thank you for your continued support over the last half term, it has been wonderful to have school fully open once again! We hope you all have a lovely half term holiday and we look forward to seeing you all back in school on Monday 1st of November. We will also be waving our Year 6 children off on their adventures that day as they go on their outward-bound visit to Ullswater for the week! Have a lovely week and enjoy some time with your loved ones. Best wishes, Miss Brown.

FOOTBALL

Well done to all our school football players – our boy's football team beat St Andrew's last Friday with a tremendous score of 6-2.

Our girl's team have a match tonight, against St Maria Goretti's and we wish them all the very best!

A big thank you to Fulwood Amateurs for allowing us to use their pitch for our matches.

MUSIC LESSONS

As some of you are aware, Mrs Holt is moving on to pastures new after half term. Mrs Holt is well known to many of our families and has a long history with school. Most recently, she has taught flute, recorder and clarinet to some of our families.

Mrs Holt will be missed and we wish her all the best in her new role.

We always want to offer wider opportunities to families so we will ensure we still offer music lessons to those in school who would like them.

On Tuesday 9th November, Laura Murphy will be visiting school to give the children in Y3-Y6 a demonstration of guitar and piano lessons. Children will then be invited to take up lessons if they wish.

We are currently working with Lancashire Music Service to bring more peripatetic teachers in to school too – so that we can offer a wider range of instrument lessons. Watch this space!

RECENT NEWS

CHICKENS This week our chickens finally arrived! Please feel free to walk by and see them. Soon, we will be inviting last year's Year 6 to come back and officially mark the arrival of the Harris Hens!

AMBASSADORS The Children in Year 6 have been amazing ambassadors for our school these last few weeks. Not only did they do a wonderful job of running our school book fair, but they have also lead Tours of School to some of our existing and prospective families. They were fantastic tour guides! Some families even contacted school, once they had got home, to say how impressed they were with the children! Well done Year 6!

EYFS Our bifold doors have now been installed in our Reception Class. This has hugely improve the learning environment in there. Thank you to Ashton's Builders for all their help!

HIGH SCHOOL APPLICATIONS

A reminder that High School Applications need to be received by 31st October 2021.

Online school admissions can be accessed at www.lancashire.gov.uk/schools

PERSONAL ACHIEVEMENTS

After half term, Tuesday School Assembly will become a Key Stage Assembly. This a great time for us to celebrate each child for their individuals talents. If your child has any achievements from outside of school (swimming, Rainbows, football etc) they are most welcome to bring certificates and medals etc in on those days to share with the other children.

REMEMBRANCE DAY

Please remember to send in a plastic bottle, with a contoured base, so that your child can make a Remembrance Day poppy to add to our Poppy Wall.

STAR AWARDS!

Huge congratulations to...
