

## Friday 10<sup>th</sup> September

### PE SPECIALIST

We have arranged for a PE specialist to come to school and work with some of our children each Friday.

The Year 2 children will work with Mr Sharp and complete a 'Healthy Heads' programme. He'll be focussing on building self esteem and feeling good through physical activity.

The Year 5 children will also take part in a Play Leader development programme. At the end of the training, the children will then use their skills to lead play sessions at breaktimes for the younger children.

### MEET THE TEACHER

One **Monday 27<sup>th</sup> September, 3:30-4:00**, we will be holding a Meet the Teacher session. This is an informal session where you can drop in, familiarise yourself with your child's classroom and meet their new teacher for this academic year. We look forward to seeing you"!

### 'GOOD TO BE ME' WEEK

We are planning to hold a Curriculum Week with the theme of 'Good to be me'.

During this week, we will hold some activities which will give the children opportunities to celebrate that everyone is unique and that we are all special as individuals.

We also really value the importance of family and would love our school family to get to know your families, in all their different forms.

If you would like to be involved with this week and could spend a bit of your time chatting to your child's classmates, please contact me at [head@harris.lancs.sch.uk](mailto:head@harris.lancs.sch.uk) ... the more the merrier!

### BIRTHDAYS

The children have suggested a wonderful idea!

With immediate effect, when it is a child's birthday, they can come to school in their own clothes for that day (if they wish to do so).

Any children who have a birthday during a weekend or holiday can choose the school day closest to their birthday.

If, for religious reasons, your child does not celebrate their birthday, they are most welcome to choose another day in the year that is special to them.

Any children, who have already had a September birthday, can choose an alternative date during this month.

### STAFF STAR AWARD!

Our Year 5 Teaching Assistant, Miss Sumner, is part of Fever Dance Company. Last week, she took part in the Open British Championship in Latin Dance Formation at Winter Gardens.

They won the Championship and retained the title of British Champions! Well done to Miss Sumner and her dance team!

### GATES

Please ensure that all pedestrian gates are closed behind you when dropping off/collecting children outside of school start/ finish times.
