

## Friday 4<sup>th</sup> February 2022

We can't believe we are almost at the end of another half-term already, the year seems to be flying by! Miss Rigby's own family have been working hard improving the outdoor area for our Year 1 children, please stop by and have a look, they've done a magnificent job! I have been away from school this week – I'm currently home (hopefully) rapidly recovering from suspected bronchitis. Thank you to all the staff for doing a wonderful job of keeping school running smoothly in my absence – we're lucky to have them. ☺ Looking forward to seeing you all soon! Best wishes, Miss Brown

### Y6 HARRY POTTER DAY

The Year 6 children thoroughly enjoyed Harry Potter Day and celebrating 25 years since the publishing of The Philosopher's Stone. We love reading in Year 6 and Harry Potter certainly has had a massive impact on the enjoyment of reading in children across the last 25 years.

Well done to the Year 6 children for dressing up – your costumes looked fantastic! Thank you to those who made decorations at home and helped our classroom look a bit more magical. If you'd like to see more photos of the day, why not check out our Facebook page.

### Y4 CANADA DAY

Y4 will be having a special day next Wednesday 9th February! All the children in Y4 will have the opportunity to participate in a variety of activities based on this term's Geography topic - Canada. On this day, we invite the children to come in something red and white if they wish to. This may be a ribbon, headband, socks or other small item or a whole outfit.

Mrs Garner will provide Maple syrup and pancakes for the end of the day! Please let her know if your child has developed any new allergies. Thank you

### FUNDRAISING

We have a wonderful little girl in our School who has Tuberous Sclerosis (TSC). Like others with the same condition, this affects her day to day life. Her family are working hard to raise funds for the Tuberous Sclerosis Association – the only UK charity to support people with TSC. If you would like to donate, please view their Just Giving page [HERE](#)  
OR

### EXTRA CURRICULAR CLUBS

Next week, forms will be sent, via ParentMail, for next half term's extra-curricular clubs. We're looking forward to offering a wide range of clubs once again! Please return all forms by 9am, Monday 21<sup>st</sup> February. Families will be notified that week of the outcome of their requests. In the event of more requests than places, names will be selected at random. No alterations can be made after this date. Please only request places if your child will be able to attend regularly, to avoid unused places being held.
