 Y5/6 Cross Country Competition
Thursday 19th May
 Family 'Strawberries and Cream'
Friday 20th May
 School Street Party
 Non-Uniform (red, white and blue)
 Half-term

SATS

Our Year 2 children have worked their socks off this week whilst completing their Standard Assessment Tests. Every single one of them can end the week knowing that they have done their best. We've been so impressed with their positivity and 'have a go' attitude. The tests form part of the class teacher's on-going assesment. The results will be shared with families, once they are finalised, through their end of term report. Well done Year 2!

CAREERS VISIT

In support of our 3rd 'B'- Be Ambitious, we had a visit from Paul Bentall who took on the roles of Snape and Voldemort in the London Stage Production of Harry Potter.

He talked to the children about a career in acting, shared his stories and also explained the path he took to enter his career choice. The children gained a lot from the visit and loved his entertaining stories. Paul also commented on how great all the children were!

PEDESTRIAN ENTRANCE

A reminder that we no longer need to use the one-way system for pedestrians around school. The car park is now closed to pedestrians – the pavement entrance returns to being the entrance and exit for the school. Please also refrain from climbing over the locked gate at the back of the school grounds.

ADVENTURE PLAYGROUND

During May-Half Term we have contractors coming to repair the broken bridge on the adventure playground. There has been a delay on this due to Covid restrictions and their availability during School Holidays. I know the children are eager to have this up and running again.

BIKE SHED

We have ordered a new bike shed which will be located close to the main school entrance. This should be more efficient, for those children who come to school on their bike, as it will be located closer to their classrooms. This will be installed as soon as the order arrives

SCHOOL LUNCHES

This week we have trialled a meal ordering system, which has meant that children can pre-order their school lunch to ensure they receive the meal they wish to have. This has worked very well and also sped up the service time, so the children are eating sooner. We are currently working with School Spider so that children can make their meal choices in advance at home with yourselves.

Please can all school meal payments now be made through School Spider. Any balances on ParentMail will be credited back to you. Families who pay for school meals will need to book and pay for their child's meals in advance through School Spider.

JOINER WANTED!

We are seeking a qualified joiner to build some sturdy bookcases to home our new home-reading books, ready for September. If this could be you, and you have the availability to help, please get in touch with the school office to come and price up a quote for us.

SCHOOL SPIDER

School is now using School Spider as the main communication and payment system between families and school.

To register an account: please use the email address held by school for the person who was listed as the priority 1 contact.

To log in: please use the account holders name – NOT the email address

THIS WEEK'S STAR AWARDS!

Huge congratulations to...

Year R – Lana and Bobby

Year 1 – Esa and Poppy

Year 2 – Ella and Lucas I

Year 3 – Joseph and Josh

Year 4 – Molly and Alfie
